HELP OFFERED

The Cathedral parish is starting a new service called **"Orthodox Strong Men - Help Needed, Help Offered."** There are those among us who on occasion need a strong man to help with certain small tasks around the house. There is a sign-up sheet in the Cathedral Auditorium to connect those who need some help with those who are willing and able to offer it. Please consider this useful new Orthodox Stewardship Committee to make your life useful and easier.

QUOTES FROM THE HOLY FATHERS

There is so much demonic influence in the world today. The devil roams freely because people have given him the right to do so. They are vulnerable to demonic influence. A man once rightly observed: In the old days the devil spent a lot of his time with human beings, but not anymore. Now all he does is put them on the road, wish them 'bon voyage', and off they go on their own.

Saint Paisios the Athonite

Silence greatly helps in spiritual life. It is good for one to practice silence for about an hour a day: to test himself, to acknowledge his passions and to fight in order to cut them off and purify his heart. It is very good if there is a quiet room in the house which gives him the feeling of a monastic cell. There, "in secret", he is able to do his spiritual maintenance, to study, and to pray. A little spiritual study done before prayer helps greatly. The soul warms up and the mind is transported to the spiritual realm. That's why, when a person has many distractions during the day, he should rejoice if he has ten minutes for prayer, or even two minutes to read something, so as to drive away distractions.
