QUOTES FROM THE HOLY FATHERS

Man cannot escape God's eye, even as regards the smallest things, even in the most secret places; for God is present everywhere. He cannot lie to God, without God knowing that he is lying. So, when a person confesses, he must tell the confessor the full truth about his deeds, thoughts, and feelings, hiding nothing. Such confession is essential for one's spiritual health and progress. It is a most important means of inner purification.

St. Joseph the Hesychant

We are not battling with a man, whom you can kill in many ways, but with the powers and rulers of darkness. They are not fought with sweets and marshmallows, but with streams of tears, with pain of soul until death, with utter humility, and with great patience. Blood must flow from over-exhaustion in saying the prayer… And you must not give up the fight, until the demons are beaten and withdraw. Then you will receive freedom from the passions.

St. Joseph the Hesychant

Acknowledge your sinfulness and pride and impatience, and humble yourself under the strong hand of God – accusing no one but yourself, and then you will see divine help: how God will calm you and cause the heart of those who oppose you to be favorably disposed towards you.

St. Macarius of Optina
